

RIDE

BY BMW MOTORRAD

Find your best road.

TEN FEATURES

- 01 Two ways to ride: Go somewhere or Plan a trip
- 02 Fast ↔ Fun slider that reshapes your route live
- 03 Weather-aware routing with departure advice
- 04 Voice trip planner, a five-minute conversation
- 05 A companion that learns your riding preferences
- 06 Multi-day trip generation with swappable segments
- 07 Community segments rated by real riders
- 08 Follow a rider's segment instead of trusting an AI blindly
- 09 Ride mode and bike display, glove-friendly
- 10 In-ride feedback and ride recap that make the whole community smarter

Mockups · 8 screens, 9 states · 13 Sep 2026
