

RIDE

BY BMW MOTORRAD

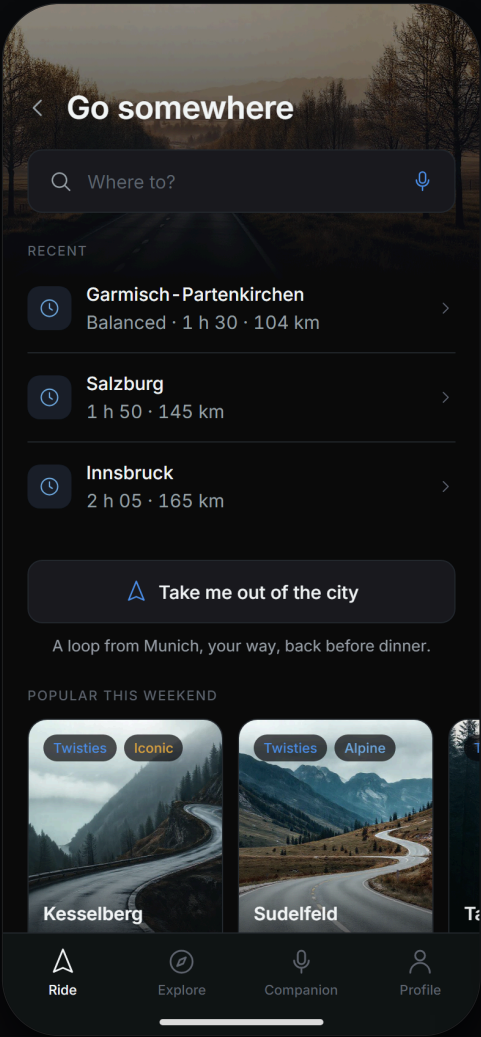

Find your best road.

TEN FEATURES

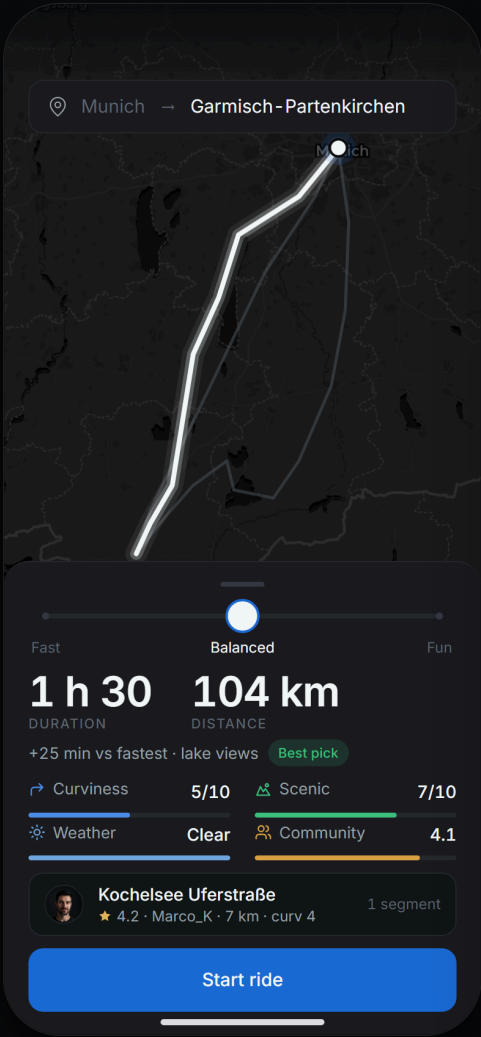

- | | |
|----|---|
| 01 | Two ways to ride: Go somewhere or Plan a trip |
| 02 | Fast ↔ Fun slider that reshapes your route live |
| 03 | Weather-aware routing with departure advice |
| 04 | Voice trip planner, a five-minute conversation |
| 05 | A companion that learns your riding preferences |
| 06 | Multi-day trip generation with swappable segments |
| 07 | Community segments rated by real riders |
| 08 | Follow a rider's segment instead of trusting an AI blindly |
| 09 | Ride mode and bike display, glove-friendly |
| 10 | In-ride feedback and ride recap that make the whole community smarter |
